THE FOLLOWING OFFICERS WERE ELECTED FROM THE FLOOR:

Donald Palmer moved that the Selectmen serve as Overseers of the Poor; that D. Morris Lamprey serve as Surveyor of Wood and Lumber; that the Building Inspector serve as the Fence Viewer and that Stanely Knowles be appointed as Wood and Tree Warden. SECONDED - HAND VOTE - PASSED.

ARTICLE II: To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Mr. Frank Trask moved that this Article be placed for discussion after XXXIX. SECONDED - HAND VOTE - PASSED.

ARTICLE III: To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

Mr. Robert Southworth moved that the Article be accepted as printed. SECONDED - HAND VOTE - PASSED.

ARTICLE IV: To see if the Town will vote to authorize and empower the Board of Selectmen, or a majority of them, to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

Mr. Richard Lynch moved that this Article be adopted as printed. SECONDED - HAND VOTE - PASSED.

ARTICLE V: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other government unit, or from a private source which becomes available during the fiscal year, pursuant to New Hampshire Revised Statutes Annotated Chapter 31: Section 95-b.

Mr. Donald Palmer moved that this Article be adopted as read. SECONDED - HAND VOTE - PASSED.

ARTICLE VI: To see if the Town will vote to accept the reports of Town Officers.

Mr. Robert Southworth moved that the Town accept the reports of the Selectmen, the Town Clerk's report, the Cemetery Trustee's report, the Tax Collector's report, the Treasurer's report, the report of the Library Trustees and the Building Inspector. SECONDED - HAND VOTE - PASSED.

ARTICLE VII: To see if the Town will vote to adopt the following Town Ordinance:

Driveway Permits:

1. A *temporary* driveway permit shall be issued by the Highway Agent, after a lot or subdivision has been approved by the Town, which will enable the owner thereof to have access to his property for building or other purpose. There is no charge for such temporary permit.
2. A *final* driveway permit shall be issued by the Highway Agent after the road has been accepted as a Town road, the fee for which shall be five dollars. Lack of compliance with this section of the ordinance may subject the property owner to a fine of ten dollars a day.
3. A *reconstruction* driveway permit is required at any time when the driveway is reconstructed so as to alter its elevation or grade in any appreciable manner. This permit is not required for simple re-coating by a liquid. There is no fee for this permit, but lack of compliance may subject the owner to fine.

After considerable discussion and several amendments, which were set aside, a motion was made by Mr. Fred Barcomb to set aside for a year, article VII and charge the selectmen to come back with further specifications. SECONDED - HAND VOTE - PASSED.

ARTICLE VIII: To see if the Town will vote to adopt the following Town Ordinance:

Operation of the Stump Dump:

1. The said Stump Dump shall be closed to all dumping of any nature whatsoever during that part of the year commonly known as “snow months”, specifically from November 15th of each year to April 15th of the following year.
2. During the remainder of the year the Stump Dump shall be closed to the general public during the five “week days”, (i.e., Monday, Tuesday, Wednesday, Thursday and Friday) and shall be open to the general public on Saturdays and Sundays only.
3. Only stumps and like matter of a bio-degradable nature, excluding garbage and exluding toxic material may be deposited in the Stump Dump.
4. The penalty for violation of any of the provisions of this ordinance shall not be over \$25.00 per occurrence.

Mr. Donald Palmer moved that article VIII be adopted as printed - **SECONDED**

Mrs. Nancy Wright moved that paragraph #2 read as follows: “During the remainder of the year the Stump Dump shall be open to Town Residents only.” **SECONDED - HAND VOTE - AMENDMENT ADOPTED**

Mr. William Boesch moved that paragraph #4 have the following sentence added: “That violators shall remove or pay for removal of non-conforming matter.” **SECONDED - HAND VOTE - AMENDMENT ADOPTED**

It was moved that the amended article be voted - **SECONDED - HAND VOTE - ARTICLE VIII AS AMENDED WAS ADOPTED.**

ARTICLE IX: To see if the Town will vote to adopt the following Town Ordinance:

Smoke Detectors:

Pursuant to a Vote of the Town at the Town Meeting held March 11, 1980 and the National Fire Protection Association's Life Safety Code 101, it is hereby required that all newly erected single and multiple family dwellings in this Town shall have at least one suitable authorized smoke detector in every common hallway on each level of the dwelling that is used for living quarters.

The penalty for violation of this ordinance and conviction thereof shall not be more than \$25.00 for each offense.

Mr. Newman Goodwin moved that Article IX be adopted as read - SECONDED - HAND VOTE - PASSED.

ARTICLE X: To see if the Town will vote to adopt the following Town Ordinance:

No Town road shall have a trench dug across or under it without a permit. Such permit shall be issued by the Highway Agent with a copy to the Building Inspector upon payment of a Five Dollar Trenching Permit Fee.

The penalty for violation of this ordinance and conviction thereof shall not be more than \$25.00 per day.

Mr. Newman Goodwin moved that the article be accepted as read - SECONDED - HAND VOTE - PASSED.

ARTICLE XV: To see if the Town will vote to appropriate Fifteen thousand dollars (\$15,000.00) for the purchase of a truck for the Highway Department and authorize the withdrawal of Ten thousand dollars (\$10,000.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, with the balance to be withdrawn from Capital Reserve Fund No. 10 and to authorize the Selectmen to act as agents for the Town in accordance with the New Hampshire Revised Statutes Annotated Chapter 35: Section 15.

Vernon Seavey moved the article be passed as read - SECONDED

Mr. George Miller moved that the article be amended to read that the truck read DUMP TRUCK - SECONDED - HAND VOTE - DEFEATED.

It was moved to vote on the unamended article - SECONDED - HAND VOTE - PASSED AS SUBMITTED.

ARTICLE XVI: To see if the Town will appropriate One thousand dollars (\$1,000.00) to defray the cost of the construction of facilities for the handicapped in Town buildings and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Robert Southworth moved that the article be adopted as read - **SECONDED - HAND VOTE - PASSED.**

ARTICLE XVII: To see if the Town will vote to empower the Planning Board to review and approve or disapprove site plans for the development of tracts for no-residential uses, or for multi-family dwelling units other than one and two family dwellings, whether or not such development includes a sub-division or re-subdivision of the site as allowed by New Hampshire Revised Statutes Annotated Chapter 36: Section 19-a.

Mr. Richard Lynch moved that article XVII be accepted as read - **SECONDED - HAND VOTE - PASSED.**

ARTICLE XVIII: To see if the Town will vote to raise and appropriate the sum of Three thousand five hundred two dollars (\$3,502.00) for the use of the Seacoast Regional Counseling Center, which counseling center provided 848 hours of service to certain residents of this Town at a cost to the center of \$37,312.00.

Mr. Frank Trask moved that article XVIII be adopted as read - **SECONDED - HAND VOTE - PASSED.**

ARTICLE XIX: To see if the Town will raise and appropriate the sum of Two Hundred dollars (\$200.00) for the Newmarket Regional Health Center to provide transportation for the elderly.

Mr. Frank Trask moved that article XXIX be adopted as read - SECONDED - HAND VOTE - PASSED.

ARTICLE XX: On petition of Lucille E. Ellingwood and twelve legal voters of the Town of North Hampton, to see if the Town will vote to authorize the Selectmen to include in the next annual Town Report, the annual salaries of all employees of North Hampton, both Town and School.

Mrs. Lucille E. Ellingwood moved that article XX be adopted as read - SECONDED - HAND VOTE - NOT PASSED.

ARTICLE XXI: On petition of Henry C. Larrabee and ten legal voters of the Town of North Hampton, to see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State or any city, town or other government unit of the State to five percent.

Mr. Henry Larrabee moved that the article be adopted as read - SECONDED - HAND VOTE - NOT PASSED.

ARTICLE XXII: On petition of Frank A. Hollick and nine legal voters of the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of \$465.00 to the Greater Portsmouth Community Action Program, a subdivision of Rockingham County Community Action Program, Inc., a private, non-profit anti-poverty agency. This figure represents 2.5% of \$18,601.00 in services rendered to North Hampton residents during the fiscal year 9/01/79 - 8/31/80.

Mr. William Barrett moved that the article be adopted as read - SECONDED - HAND VOTE - PASSED.

ARTICLE XXIII: On petition of Jane M. Palmer and twelve legal voters of the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of \$546.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to ten residents of the Town of North Hampton during the period July 1, 1979 through June 30th, 1980, inclusive. These residents used \$1,592.50 worth of services, however, only \$546.00 could be billed according to their ability to pay. We therefore request the minimum amount needed from the Town, in this instance \$546.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual family counseling for residents of the Town of North Hampton, whether or not said residents are able to pay.

Mrs. Jane Palmer moved that the article be adopted as read - SECONDED - HAND VOTE - PASSED.

ARTICLE XXIV: To see if the Town will vote to require that the Selectmen, before disposing of real property, the title to which has been acquired by Tax Collector's Deed, first consult with the Conservation Commission, said Commission to recommend if the retention of such property would be in the best interest of the Town as provided in RSA 80:42a, subject to final ratification at the next annual or special town meeting.

Mrs. Elinor Woodman moved that the article be adopted as read - HAND VOTE - SECONDED - ARTICLE CARRIED.

To see if the Town will vote to amend ARTICLE IV, DISTRICT REGULATIONS, by the addition of SECTION 413 and 413.1, to read as follows:

Section 413 - Critical and Unique Area Regulations: The Planning Board shall adopt Regulations and Standards that will protect areas identified on the natural Resource Map having severe limitations to development or that are unique to the Town of North Hampton or the State of New Hampshire and shall administer such regulations under the "Subdivision Regulations".

Section 413.1 - Historical Sites: The purpose of this section is to preserve existing antiquities so that future generations may gain an appreciation and understanding of the Town's past. These antiquities are hereafter designated as Historical Sites. A Historical Site is an area, a location, or an object which has been registered and recorded as having historical significance. Examples of Historical Sites include, but are not limited to, buildings, cemeteries and monuments, etc. Due to the limited resources of the Town, property owners are encouraged to maintain, restore, protect and identify Historical Sites. Modifications to, destruction of, and alterations of Historical Sites are prohibited unless prior written authorization is granted by the Planning Board. Restoration as near as possible to the original condition shall be required to start within thirty days of notification by the Planning Board of any violation of this section.

The Planning Board shall be responsible, after public hearings, for the designation of and the registration of Historical Sites within the Town. A list shall be maintained by the Planning Board of all such designations. No Site shall be removed from the registration except by a majority vote of the Planning Board, or by action of the Selectmen of the Town.

Section 707: Certificate of Occupancy

Section 707.1: Occupancy and use of a building hereafter erected, structurally altered or moved, or any change in the use of the existing building, shall be unlawful unless a certificate of occupancy shall have been issued by the Building Inspector.

Section 707.2: No certificate of occupancy shall be issued for any special exception use of a building unless such use has been authorized by the Board of Adjustment. Every certificate of occupancy for which a special exception use has been authorized, or in connection with which a variance has been granted by the Board of Adjustment, shall contain a detailed statement of such special exception use or variance and of any conditions to which the same is subject.

Section 707.3: Application for a certificate of occupancy for a new building or for an existing building which has been altered, shall be made on forms provided by the Building Inspector, after the erection or alteration of such building or part thereof has been completed in conformity with the provisions of this ordinance or any duly secured variance. Such certificate shall be issued within ten (10) days after receipt of said application, but only if all requirements of this and all other applicable ordinances or codes are complied with.

Section 707.4: Every certificate of occupancy shall state that the building or proposed use of a building complies with all provisions of law, and of this ordinance, of all other applicable codes or ordinances of the Town and, if applicable, with all provisions of any variance or requirements set forth for the special exception uses authorized by the Board of Adjustment.

Section 707.5: Upon written request by the owner, and upon payment of such fee as may be prescribed from time to time, the Building Inspector and Fire Inspector shall, after inspection, issue a Certificate of Occupancy for any building or use thereof, existing at the time of adoption of this ordinance, certifying the conformity of such use, (Including, if applicable, the number of employees) and of any structures or any lot with the provisions of this ordinance.

ARTICLE II: (The Meeting Returned to Article II) The Chairman of the Budget Committee moved that the budget be read line by line and that all items in question would be discussed at that point. (It was re-stated that per the request of fifteen legal voters of the Town that all amendments to the budget in excess of \$500.00 would be voted upon by yes and no ballots) The budget committee's recommended budget of \$761,579.00 was increased by YES and NO voting on the following items: (All other items remained the same)

POLICE DEPARTMENT - It was moved by Police Chief Bruce Golden that the Police Department budget be increased to \$143,455.00 (Increase of \$9,789.00) **SECONDED - YES 139 - NO 135 - AMENDMENT PASSED.**

FIRE DEPARTMENT - It was moved by Fire Chief Newman Goodwin that the Fire Department budget be amended to read \$114,428.00 (Increase of \$8,032.00) **SECONDED - YES 150 - NO 120 - AMENDMENT PASSED.**

PLANNING AND ZONING - It was moved by Mary F. Peterson that the Planning and Zoning amount be amended to read \$7,000.00 which is the same as 1980's figure. (Decrease of \$17,000.00) — **SECONDED - YES 169 - NO 95 - AMENDMENT PASSED.**

NOTE: At this point the signees of the petition requiring YES/NO voting on articles over \$500.00 removed their petition.

PARKS AND PLAYGROUND - Mr. Richard Jones moved that the Parks and Recreation budget be increased by \$2,705.00 to the amount of \$6,609.00 which amount adds the salary of recreation director and maintains the summer program - **SECONDED - HAND VOTE - AMENDMENT PASSED.**

Mr. Gregg Sanborn of the Budget Committee moved that the Town accept the budget of \$765,570.00 (this amount includes the above amendments plus \$465.00 increase voted regarding article XXII) - **SECONDED - HAND VOTE - PASSED.**

ARTICLE XXXX: To transact any other business that may legally come before this meeting.

Mr. Robert Southworth of the Board of Selectmen spoke to the townspeople regarding solid waste disposal needs. He requested that any interested citizens volunteer to serve on the many committees serving the town.

A standing ovation was given to retiring Selectman Donald Palmer after his six years of dedicated service to the Town of North Hampton.

Meeting adjourned at 12:03.

Respectfully submitted,

Delores J. Chase
Town Clerk

SELECTMEN'S ANNUAL REPORT TO THE TOWN

We have some good news for you this year, and we have some bad news. And in typical New England fashion we will give you the bad news first. The State Department of Revenue Administration informed us last December that they had summarized all the sales of property in North Hampton from October 1st, 1980 to October 1st, 1981, had compared them with the assessed value of the property sold, and found that the values as they are currently assessed are 28% of the market value of the property sold. This is another reason we are undergoing re-evaluation and it means that when the job is done all the properties in Town will have an assessed value perhaps several times the current assessment. However, depending on what we do at the current Town Meeting the tax rate, which is currently at \$51.60, should drop considerably.

Incidentally, the new assessments will not be available until late in the year and will be available in the form of a booklet listing everyone's assessment. After this comes out all persons will have an opportunity to appear before the State reassessment team in the event that they feel they have been treated unfairly.

Now for some good news. With the payment in April of 1982 of the remaining \$4,000 we owe on the Library note the Town will be free of long term debt. This is a great thing in this day and age. Of course we will still owe the money we will have borrowed in anticipation of taxes — which we borrow every year.

This money, borrowed in anticipation of taxes, is borrowed at a very favorable rate. Last year we took out a loan of \$900,000 the day after Town Meeting — which has all been repaid. We then turn around and put it out in CD's — which return such a favorable rate of interest (until we need the money) that the net rate that we pay for funds is on the order of 1½%.

For the year 1981 we finally came in with our total expenditures just under the revised budget. As we have told you in the past the State has placed several mandates on us which have increased our cost of doing business considerably. Among these are:

The Courts have found the Town of North Hampton to be the "legally liable" unit for the care and support of certain juveniles. We have placed this expenditure under the category of "Town Poor", the budget for which last year was \$10,000. Care of the juveniles for which we were responsible last year cost us \$13,000, and this resulted in a total expenditure under this budget item of \$16,029 — which was \$6,029 over budget. In each case steps are being taken to receive payment from the families of the juveniles.

The State informed us last year (after Town Meeting) that there would be additional costs for the State Retirement System, which meant that this item, carried in the budget at \$23,300 actually cost us \$32,280 — \$8,980 over budget.

We were also told that it was necessary to appropriate all the costs involved in borrowing money — not just the net cost after the income had been received on the CD's. This affected our cash flow and necessitated an appropriation of \$57,108 — not just the \$26,675 listed in the budget. This was an overage of \$30,433. This has been corrected in our 1982 budget.

For the above reasons, plus the fact that the legal costs exceeded the amount budgeted, the Selectmen had to go back to the Budget Committee and to the State Department of Revenue Administration with a request to over-expend the budget in the amount of \$49,057. This request was granted by both the above agencies, and as we have reported earlier, our expenditures remained within the revised figure.

Incidentally, with regard to legal fees, last year we appropriated \$8,000 but spent \$10,586. We are a litigious society, and it appears that when decisions do not go to one's liking many people turn to the Courts. We are currently defendants in 5 law suits (down from 8 the previous year), all concerning decisions of various Boards. We have no alternative but to fight these cases, as they involve the integrity of our planning and zoning process. But they cost money.

We have signed contracts with the Cablevision Service Company of Exeter for Cable TV and we would hope to have this service available to all residents of the Town at some time in the future.

The matter of waste disposal has been of concern to us. It appears the Coakley Pit will be closed by July 1, 1982, at which time the Pease Refuse to Energy complex is expected to open. This matter is covered elsewhere in this book under the Report of the Solid Waste Committee. But this new system will cost us money in what is called a "Tipping Fee" at the new facility. For years we have dumped free because part of the Coakley Pit was located in North Hampton. We will now come to the realization that there is no free lunch. The Town will probably license haulers for a modest fee and they in turn will make their own arrangements with the residents.

We must look ahead, and one concern of the Selectmen is the manner in which our Police Department receives their calls. Emergency calls currently go into Brentwood, and they in turn notify our Town. But Brentwood also receives calls for 26 other Towns, and this system is not entirely satisfactory. The day may come when we have to have our own dispatching facility, or share one with a nearby Town.

Other items of concern to us are the matter of replacing several of the Town vehicles. For instance, we currently have in the Fire Truck Capital Reserve Fund (No. 5) \$25,518.38. The cost of new fire trucks runs from about \$106,000 to \$120,000 depending on how they are equipped.

Similarly, the Selectmen have decided in the future to have the Town own the Highway Department truck instead of renting it. Such a new truck might cost about \$40,000. Finally, the Town Ambulance, bought by the Town in 1974 is aging, and a new one may cost about \$35,000.

When the Selectmen suggested to the Budget Committee that monies be set aside for these future expenditures it appeared to be the consensus of the Budget Committee that to do so would be counterproductive. Their reasoning was that the cost of these items was rising faster than the interest on the money set aside. Several innovative suggestions were advanced...such as some person or firm might purchase one of these vehicles, rent it to the Town for a very modest sum, and achieve a sizable tax write-off. Or the Town may float a bond issue when the time comes for the entire amount. This is not to say that the Selectmen agree with any of these proposals, nevertheless, for the above reasons no monies have been set aside for these possible future expenses from Revenue Sharing Funds this year.

Our Town employees are to be particularly commended. The Departments, in the opinion of the Selectmen, are the best in the seacoast area, and the Department Heads have taken particular pains to remain within their budgets. Further, there is a spirit of cooperation among the Town employees which is gratifying.

In closing we wish to thank the many Boards, Commission, and dedicated individuals who work for the Town and for the residents. These people are unpaid, frequently unknown, and do an enormous amount of work on a volunteer basis. Without them the Town simply would not run. They are in large part responsible for making this Town such a desirable place in which to live.

R. A. Southworth, for the Selectmen

DATES OF FACTS OF INTEREST

OFFICE HOURS

The Town Offices, Selectmen's Office, Town Clerk's Office and Tax Collector's Office are open on the days and times posted on the front door of the Town Offices Building.

POSTING OF NOTICES

Notices of meetings of the Planning, Zoning, Conservation, Budget Committee, and like organizations are normally posted inside the front door of the Town Office Building and in the Post Offices. They may, in addition, when required, appear in the Portsmouth Herald.

SELECTMEN'S MEETINGS

The Selectmen meet the 2nd and 4th Monday evening of each month commencing at 7:30 p.m. Any person wishing an appointment should contact the Administrative Assistant before 4:00 p.m. (964-8087) to be placed on the agenda. The reason for this is that the Department Heads normally make their reports first and this system saves waiting time. However, all persons are welcome to attend all meetings and are urged to do so.

PROPERTY INVENTORIES

Inventories of taxable property are mailed out each year in March, and are also available at the Town Office in the event that none were received. These are due to be returned by April 15th, and State law imposes a mandatory penalty for failure to file of 1% of the property tax, but not less than \$10.00 nor more than \$50.00. Further, anyone failing to file an inventory loses his right to appeal on any property tax matter.

VETERAN'S EXEMPTION FORMS

Veterans who request an exemption are required by law (RSA 72-33) to fill out Form A-2 (the green sheet), on which is recorded their war record. Once these are filled out they become a permanent part of the individual's record, and they are not required to be filled out annually. However, to receive the exemption, it must be checked off on the Tax Inventory Forms filed each year.

ELDERLY EXEMPTIONS

There are three types of elderly exemptions. The Town has voted to allow “standard” but not “expanded.” At Town Meeting this year the Town will vote on “adjusted.” All have different requirements and allow different exemptions. Interested parties are urged to consult the law. The same green form mentioned above must be filled out for these exemptions also. And again, these must also be checked off on the Inventory Form each year.

SOLAR EXEMPTION

The green form mentioned above must also be filled out for this exemption, after which inspection is usually made. Again, this must be checked off on the Inventory Form.

WIND EXEMPTION

The Town has not voted on this matter yet and no exemption is allowed.

CURRENT USE

Current Use Forms must be completed by April 15th of each year. Once Current Use is allowed it is not necessary to fill out the form again, but it must be checked off on the Property Inventory Form.

We have examined the combined financial statements of the Town of North Hampton, New Hampshire, as of and for the year ended December 31, 1981. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the combined financial statements referred to above, do not include property, plant, or equipemnt asset balances and corresponding depreciation accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the accounts described above results in an incomplete presentation, as explained in the preceding paragraph, the combined financial statements referred to above present fairly the financial position of the Town of North Hampton, New Hampshire, at December 31, 1981, and the results of its operations and changes in financial position of its proprietary fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

TOWN OF NORTH HAMPTON
Notes to Financial Statements
Year Ended December 31, 1981
(audited)

Note 1.) Summary of Significant Accounting Policies:

The accounting policies of the Town of North Hampton conforms to generally accepted accounting principles for local governmental units except as indicated hereinafter. The followings is a summary of significant accounting policies.

Basis of Accounting

The accrual basis is used for all fiduciary funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- A. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
- B. Prepaid expenses are not normally recorded.

Property, Plant, and Equipment

Property, plant, and equipment acquired or constructed for general government services are recorded as expenditures in the fund making the expenditure. Funds used to require general fixed assets and/or debt service payments on borrowing in connection therewith are accounted for as expenditures in the year payments are made. This is contrary to generally accepted accounting principles which require that general fixed assets be capitalized and accounted for in a separate fixed asset group of accounts.

Investments

Investments are stated at cost.

Types and Purpose of Funds

- A. General funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.
- B. Special Revenue Funds - used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes, or local law.
- C. Other Governmental Unit Funds (Agency) - The town collects taxes for the Winnicunnet School District, Rockingham County, and the Little Boars Head Precinct as required by law. These taxes are accounted for as agency funds. In addition, the Trustee of the Trust Funds is the fiduciary of monies contributed by the Little Boars Head District in the amount of \$2,980.21

Note 1.) Summary of Significant Accounting Policies (continued)

Types and Purpose of Funds (continued)

D. Capital Reserve Funds - Used to account for financial resources to be used for the acquisition or construction of major capital facilities.

Other General Accounting Policies

Retirement System

Several members of the Police Department, Fire Department, and Town Office are members of the New Hampshire Retirement System. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contribution begins. The Town's contribution rate for normal cost of the plan is based upon an actuarial valuation of the state plan as of June 30, 1981, at varying rates by occupation. The Town has no past service cost obligation. The total pension cost to the Town for the year was \$23,091.

Note 2.) Long Term Indebtedness and Town Borrowings

Long term indebtedness consists of an unusual loan payable to Indian Head Bank of Exeter in the amount of \$24,000 at 4.75%. The original issue date was April 24, 1973. Remaining principal payments are:

Amount	Date Due
\$4,000	April 24, 1982

The town, on a short term basis, borrowed \$900,000 in anticipation of taxes during 1981. The amount was fully paid prior to year end.

Note 3.) Non-Expendable Fund Balances Reserved for Endowments

The Trustee of the Trust Funds is the fiduciary of certain non-expendable, limited purpose, trust funds as restricted by the terms of the grantors. Only the income earned may be expended. The trustees non-expendable trusts are listed as fiduciary trust funds. The amounts of trusts and purpose as of December 31, 1981 were:

	<u>Principal</u>	<u>Interest</u>
Cemetery Endowments	\$ 65,678.24	\$ 5,347.67
Library Endowments	1,000.00	---
School Endowments	5,000.00	---

AUDITOR'S LETTER OF TRANSMITTAL

The Board of Selectmen
The Town of North Hampton
Atlantic Avenue
North Hampton, New Hampshire 03862

We have examined the financial statements of the Town of North Hampton, New Hampshire, for the fiscal year ended December 31, 1981, in accordance with State of New Hampshire R.S.A. 71-A:19. Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Trustees, and Trustees of Trust Funds.

As a part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing, and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived, and also recognizes that the evaluation of the factors necessarily requires the use of estimates and judgments by town officials.

In conjunction with our audit report dated February 17, 1982, we noted the following:

A.) Investments - Short Term Certificates

We recommend that the town maintain an investment ledger with details of all short term investments.

During our audit it was noted that a short term investment certificate was being held by the bank until redemption. To insure proper control we recommend that all certificates and other investments remain in the safeguarded custody of the town treasurer or the town selectmen.

B.) Revenue Sharing

As our audit report indicates the revenue sharing savings accounts owed the town general fund \$23,290 as of December 31, 1981. In order to maintain a separation of funds we recommend that disbursements through the general fund for revenue sharing purposes be reimbursed by the revenue sharing funds as soon as practicable.

C.) Motor Vehicle Abatements

Our audit noted that motor vehicle rebates had been processed without the written approval of the selectmen. We recommend that all revenue abatements be processed using similar forms and procedures as presently used for town tax abatements.

D.) Fees, Departmental Income and Other Revenues

Receipts from various town departments, employees, and governing units were submitted to the town treasurer without proper control documentation. To insure positive control of revenues we recommend that the selectment institute a pre-numbered, duplicate, voucher receipt system for fees and departmental income. Fees and other revenue can then be submitted to the town treasurer with a duplicate copy of the receipt voucher to provide proper control of these revenues.

In closing, we compliment and thank the selectmen and staff of the Town of North Hampton for their excellent assistance during the course of our audit.

THE STATE OF NEW HAMPSHIRE

TOWN OF NORTH HAMPTON

TOWN WARRANT FOR 1982

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue, in said North Hampton on Tuesday, the 9th day of March, 1982 at one o'clock in the afternoon, business meeting to begin at 7:30 p.m., polls to close at 7:30 p.m. and to reopen at the close of the business meeting, remaining open until all who wish to have voted; to act upon the following subjects:

ARTICLE I. To choose one Selectman for a term of three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing years.

ARTICLE II. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE III. To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

ARTICLE IV. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes Annotated Chapter 31: Section 95-b.

ARTICLE V. To see if the Town will vote to accept the reports of Town Officers.

ARTICLE VI. (RECOMMENDED BY THE BUDGET COMMITTEE)
To see if the Town will vote to approve the re-allocation of certain allocated but unspent funds from Revenue Sharing in the total amount not to exceed One Thousand Four Hundred Twenty-Two Dollars and Fifty-Six Cents (\$1,422.56), which funds arise from unexpended funds in the Police Cruiser Account, unexpended funds from the Town Broom account, and further unexpended funds from previous years.

ARTICLE XI. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE XII. To see if the Town will vote to allow the semi-annual collection of taxes as permitted by RSA 76:15b under which part of the taxes shall be due and payable on July 1 of the tax year and the balance of the remaining taxes assessed on April 1st of that year, minus the payment due on July of that year, shall be due and payable on December 1st of that year.

ARTICLE XIII. To see if the Town will vote to authorize the prepayment of taxes and authorize the Collector of taxes to except payments in prepayment of taxes as permitted under RSA 80:52-a.

ARTICLE XIV. To see if the Town will vote to adopt the following solid waste disposal ordinance:

Whereas the Town of North Hampton has contracted with the City of Portsmouth for the incineration of solid waste generated in this Town, the following regulations are promulgated effective July 1, 1982:

Section 1:

A. Solid waste is defined, for the purposes of this ordinance, as material collected in North Hampton from residential, commercial or industrial sources, excluding: non-combustible material larger than fifteen inches by sixty-five inches; white goods (washers, refrigerators, etc.); tree stumps; demolition waste; liquids; materials classified as toxic, dangerous or hazardous by the State of New Hampshire

and/or the United States Government or their agencies; and combustible materials larger than thirty by seventy-two inches.

B. All solid waste shall only be transported to the Portsmouth incinerator by Permit Holders and their authorized employees who comply with this ordinance.

C. Solid Waste which is combustible, must be delivered to the incinerator at the Peace Air Force Base and may not be disposed of elsewhere.

D. Solid waste which is not generated in this Town, shall not be delivered to the incinerator under the Town's contract with the City of Portsmouth.

Section 2:

The Selectmen of the Town of North Hampton are hereby empowered to issue permits for collection and transportation of solid waste under this ordinance. The applicants for such permits shall file an application on a form prescribed by the Selectmen, to the Selectmen, which shall include the following information:

A. name, address, experience and qualification of the applicant;

B. the kind of equipment to be utilized in making pick-ups and delivery of solid waste;

C. statement by the applicant that all of the regulations issued by the owner and operator of the incinerator and the Town's regulations will be observed.

The permit shall be valid for a period of one (1) year, at which time it must be renewed. The fee for such permit, if any, shall not exceed Twenty-Five (\$25.00) Dollars.

Section 3: All Permit Holders must comply with the following:

A. Vehicles must be properly inspected, be in good mechanical condition, be covered to prevent loss of contents, shall not leak or drip fluids and shall have a clean appearance.

B. Permit Holders shall comply with all requirements of Pease Air Force Base with respect to access to the incinerator.

C. Permit Holders shall comply with all applicable regulations of the City of Portsmouth and shall maintain types and amounts of insurance required by the City of Portsmouth. Certificates of Insurance shall be furnished to both the city and the Town by the Permit Holder.

D. Such other regulations which the Town may institute under this ordinance as becomes necessary due to conditions or further requirements of the owners and Permit Holders of the incinerator.

Section 4: Any person, firm, or corporation violating any of the provisions of this ordinance, shall, upon conviction, be fined not more than One Hundred (\$100.00) Dollars for each day such violation exists.

Section 5: The invalidity of any section or provision of this ordinance shall not invalidate any other section or provision thereof.

ARTICLE XV. To see if the Town will vote to adopt the following ordinance regulating operation of off-highway recreation vehicles:

Ordinance Regulating Operation of Off-Highway Recreational Vehicles.

1. This Ordinance regulating the operation of Off-Highway Recreational Vehicles in the Town of North Hampton incorporates herein the definitions as set forth in RSA Chapter 269-C.
2. The requirements of this Ordinance with respect to operation shall be in addition to the requirements of RSA Chapter 269-C.
3. No person shall operate an Off-Highway Recreational Vehicle on the land of another person without first having obtained permission of the land owner.
4. No person shall operate an Off-Highway Recreational Vehicle on any public land belonging

to the Town of North Hampton or the School District of North Hampton, other than within the limits of rights of way or as permitted by the provisions of RSA 269-C, except in such areas as may be designated by the Board of Selectmen or the School Board.

5. Any person who violates this Ordinance shall be punished by a fine of not less than \$10.00 and nor more than \$100.00 for each offense.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE IN SAID NORTH HAMPTON ON MONDAY, MARCH 8, 1982 AT 7:30 IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

Notice: School District Officers will be elected at Town Meeting (North Hampton Elementary Auditorium, March 9, 1982) in accordance with the statutory election procedure adopted by the District at its March 1970 Annual Meeting.

1. To see if the District will vote to establish a contingency fund in accordance with the Revised Statutes Annotated 198:4-b, such a contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will raise and appropriate the sum of \$2,500 for this purpose. (Recommended by the Budget Committee).

2. To see if the District will vote to appropriate the sum of \$750 in addition to the amount originally appropriated for 1981-82; to receive and expend said sum from gifts to the school, and to authorize the School Board to spend this amount prior to June 30, 1982 for *library equipment*.

3. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District.

4. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

5. To transact any other business that may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID

REPORT OF THE LIBRARY TRUSTEES

The year of 1981 has been a time of reorganization, change in procedures, new programs, and an updating of library services in our goal to better serve the North Hampton residents.

Mary Pettus, Librarian, and Sally Reed, Assistant Librarian, new staff members, have been responsible for giving the library a new image—a large task well done.

The new programs offered, in addition to the continuing ones, have been a story hour for two- and three-year olds, chair caning, canning and preserving, and sewing machine clinics. A special program was given on “New Hampshire Writers and the Small Town” for the residents of the seacoast area.

A new charging system was introduced in June in order to improve the efficiency at the desk and to keep more accurate accounting of the circulation.

We have four dedicated volunteers who give a total of sixteen hours each week, which is most appreciated by the staff and trustees. Their time is invaluable in assisting the librarians.

The Friends Group, both day and evening, through their fund-raising activities, have contributed supplies for labeling 8,000 books; completed the insulated draperies for the windows; donated a children’s playhouse; and sponsored children’s reading, book cover, and book mark contests. The Friends’ time, talent, and energies make the difference in the services that we can provide for you.

We, also, have many generous contributors to our library making it possible for us to buy more books than the budget allows. One special contribution this past year enabled us to buy large-print books for patrons with sight difficulty.

If you are not a patron of your library, come in. You will like what you find there.

REPORT OF THE NORTH HAMPTON FIRE DEPARTMENT

The North Hampton Fire Department responded to 195 calls of various causes for the year, which is one call less than in 1980. These calls consisted of 62 reported structural fires, 54 mutual aid, 27 auto accidents with personal injury, 13 miscellaneous, 23 grass and woods, 7 public assists, 9 automobile fires.

The fire department dispatched 195 fire calls and 162 ambulance calls for a total of 358. Again this year with the cooperation of the Principal and teachers, activities were held at the North Hampton School during Fire Prevention Week. Also this year the North Hampton Firemens Association voted to sponsor the North Hampton Boy Scout Troop 162. The Firemen are pleased to see so many boys in town participate in the scouting program.

Again this year I would like to thank everyone who has helped the North Hampton Fire Department and to invite anyone interested to stop in the station and see the equipment the department has at any time.

Also this year we cannot go without thanking the Ladies Auxiliary for their outstanding job and support during the year.

Respectfull submitted,

REPORT OF THE NORTH HAMPTON POLICE DEPARTMENT

The Police Department would like to take this opportunity to thank its many supporters over the year 1981 as well as the previous years. The department has been very busy in the past year with increases in all categories. Court prosecuted cases have increased by over 200 cases showing a 23% increase. Burglaries and thefts have also increased and we urge you to report promptly any suspicious activity in your neighborhood.

The Police Department would once again thank the other departments in town for their excellent support and cooperation. We would again encourage the people of town to stop by with any suggestions and hope for the continuing spirit of cooperation we have pleasantly experienced in the past.

Respectfully submitted,

Bruce I. Golden
Chief of Police

REPORT OF THE NORTH HAMPTON AMBULANCE CORPS

Requests for assistance by the North Hampton Ambulance Corps numbered 161 in the year of 1981, 21 less calls than the previous year. Once again a mixed bag of illnesses and injuries were quickly and skillfully responded to by the technicians and drivers.

Our treasurer, Mrs. Bertha Wolfesen reports only 1% increase in new contracts this year which indicates that many families have either not heard of our service or not yet availed themselves of a service which, for \$10.00 per year covers an entire family, in one home against any medical emergency that might arise. Interested families can obtain a contract or further information by contacting Mrs. Wolfesen or any member of the North Hampton Ambulance Corps.

All Corps members are currently registered technicians with both the State of New Hampshire and National Chapters. It is sincerely hoped that the residents of the town realize that in addition to the constant vigil of days and nights, months and years crews must also spend long hours in re-training and re-certification programs in order to provide a low cost but excellent service to the town.

We wish to thank all those who so kindly have made donations to us; some of whom have thought of us during a time of sadness. Their thoughtfulness is appreciated by all.

A special word of gratitude to our good friends in both the Fire and Police Departments whose kindness and assistance is never failing.

We wish for all our friends a healthy and happy year.

REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION

The North Hampton Conservation Commission sponsored the Article in the Town Warrant requiring the Selectmen to consult with the Commission before disposing of any town land. This Article was passed at the 1981 Town Meeting. The Commission has established criteria for retaining Town property:

- (1) any land which comes under the category of wetlands
- (2) critical habitats for wildlife
- (3) aquifer recharge areas
- (4) town forest possibilities
- (5) historical areas
- (6) other areas of particular concern

The Conservation Commission has cooperated with the Planning Board, suggesting improvements in the Zoning Ordinance. Conservation members attend Planning Board meetings and Zoning Board of Adjustment hearings whenever possible.

A "Soils Workshop" was held on June 3rd with members of the Planning Board and Selectmen. James Hayden of the U.S. Soil Conservation Service, explained the use of our Soils Map.

Commission members have attended meetings held by the State Wetlands board to develop criteria for the designation of Prime Wetlands.

The Natural Resource Study of North Hampton was the subject of a panel discussion at the annual conference of the Society for the Protection of New Hampshire Forests in Exeter in October.

The Conservation Commission contributed \$130.00 for a workshop to be conducted by the Squam Lakes Science Center for the teachers of grades 1-4 at the North Hampton Elementary School.

In cooperation with the Recreation Commission, the Conservation Commission has planted twelve trees at Dearborn Park.

The Annual Clean-Up Day was held in April. The Elementary School students were enthusiastic helpers and with the adults that included the Highway agent and Selectmen, they removed several truckloads of debris from the roadsides of the town. The Commission hopes to conduct the Clean-Up Day in April 1982 and would appreciate assistance from the concerned citizens.

REPORT OF THE NORTH HAMPTON HIGHWAY SAFETY COMMISSION

The North Hampton Highway Safety Commission met frequently during 1981 to study and make recommendations on an increasing number of matters having to do with the safety of our highways. The general growth in the seacoast area has continued to make increasing demands on our highways, and with these come additional safety concerns.

The hazardous condition at the North Hampton Village Shopping Center has long been a concern of our group. Various members of the Safety Commission have been to Concord with the Selectmen and have been working on this with the State Highway Department. We are pleased to report that the State came down this fall and corrected the entrance to this parking lot from Atlantic Ave. There is some chance that they will do the same on the Lafayette Road entrance. What the State has done is to install islands which channel the cars entering and leaving the parking lot, and also to tend to reduce the number of cars which cut through the lot to avoid the light.

The overpass on Cedar Road, over the B and M Railroad, has been a source of concern to the Town. This overpass is owned by the Boston and Maine and an inspection by the State Department of Public Works and Highways on September 1, 1978 revealed that it was unsafe to carry the previously posted load of 11.5 tons. They therefor reduced the carrying capacity to 6 tons. This meant that school buses, fire trucks, and oil trucks could no longer use this bridge. Beside the inconvenience this meant a serious danger in the event that the fire trucks had to be rerouted. Our Highway Department continued to press the Selectmen for a solution here, and finally after repeated letters to the Boston and Maine had elicited no response the Selectmen petitioned the Public Utilities Commission for a hearing on the matter. The Highway Safety Commission was represented at

this hearing, and the result was that under date of December 15, 1981, the Public Utilities Commission ordered the Boston and Maine to render the bridge safe for a load of 11.5 tons. Since the cost of this reconstruction is estimated to run \$9,435 for the planking, or \$3,090 for simple 2" plank wheel runners, and since the Boston and Maine is bankrupt, we are awaiting the eventual solution with some interest.

Other matters on which the Highway Safety Commission will continue to address are (1) the Atlantic Ave. Railroad overpass, (2) the intersection of North Road and Lafayette Road — a most dangerous corner, (3) the intersection of Elm, Hobbs, and Lafayette Roads, (4) the curve on Route 1-A by the Fish Houses, and (5) bicycle safety on all roads.

Townspeople should contact the Highway Safety Commission regarding other highway safety matters of concern.

REPORT OF THE SEACOAST VISITING NURSE ASSOCIATION

During Fiscal Year 1980-1981 our agency made a total of 10,141 visits. In North Hampton 1,126 calls were made:

Nursing	995
Physical Therapy	95
Aide	36

Of these calls, 328 were made free of charge or at a reduced fee. It remains the policy of the Agency that no one is refused service because of inability to pay. Fees are scaled or care is provided on a no-charge basis when necessary.

Currently 25 children are enrolled in our Well Child Clinic. Clinics are held twice a month and are staffed by a Pediatrician and a Pediatric Nurse Practitioner, as well as agency nurses. Children from birth to 6 years of age are seen on a regular schedule for physical examinations, immunizations, blood tests, counseling, developmental testing, vision and hearing screening, urine tests, and lead screening. In addition, children between the ages of 3 and 6 are seen twice a year at our Dental Clinic by Dental Hygienists employed by the state and the children are referred to local dentists for treatment, when necessary, at no cost to the families. Local school nurses send students to our office during the school year so that all students in the school system will be immunized as required by law.

We have had 66 people come to our office for free blood pressure monitoring and to discuss any diet or health problems which may be concerning them.

Our staff consists of 5 full time RN's, 5 part time RN's, 1 Physical Therapist, 1 full time Aide, 1 full time Bookkeeper and a part time Typist. We also contract with the Area Homemaker/Home Health Aide Agency which enables us to provide aides and homemakers to local residents when needed.

REPORT OF THE RECREATION COMMISSION, 1981

The Recreation Commission welcomed three new members during 1981, each of whom is enthusiastically interested in the growth and quality of the Summer Recreation Program, and in the care and development of Dearborn Park.

The Summer Recreation Program involved 80 children, age 7-13, who registered for the six week, 9 AM-12 Noon, Monday-Friday sessions. This number is an increase over the previous year. Each child paid a fee which helped offset the expense of the program.

The Commission employed four part-time individuals to develop, supervise and carry out the daily program. This program consisted of Arts and Crafts; physical games and exercise; a poetry workshop; trips to Salisbury Beach, Pawtuckaway State Park, a Red Sox game; Junior Olympic competitions; and an end-of-Summer Beach Day. The staff also instituted a newsletter which went home with all participants at the end of each week.

The Commission would like to thank the North Hampton Elementary School for their cooperation and generosity in allowing the Summer program to use their premises and athletic equipment.

Dearborn Park, for which the Recreation Commission is responsible, continued to receive attention during 1981. This past year saw new tennis nets, the purchase of a softball backstop, and new trees planted to increase the windbreak for the tennis courts. The park is used regularly by the townspeople, and the Youth Association for softball and soccer. During the past Summer, Congoleum sponsored tennis lessons at Dearborn Park for North Hampton young people.

The members of the Recreation Commission are open to suggestions and ideas which might enhance or improve either Dearborn Park or the Summer Recreation Program.

REPORT OF THE NORTH HAMPTON MOSQUITO CONTROL COMMISSION, 1981

The licensing problems we have had in the past were taken care of earlier this year and consequently I had a much earlier start (May 20, 1981). This enabled me to get out and start treating the early broods of mosquitoes right away. Unfortunately it was a very wet summer and control was much harder than in past years.

Essentially this year's program was the same as the previous year's; that is, we had a monitoring phase and a treatment phase. The monitoring is a state requirement that gives us an idea of the adult mosquito populations. For this, 2 light traps were set out Tuesday and Wednesday nights and left all night. The next morning they were collected, frozen, and identified. By identifying the mosquitoes we can determine 2 things. The first is their breeding location, fresh or salt water. The second is if they are human biters or not. There are approximately 29 species of mosquitoes in New Hampshire of which 19 are human biters. Breeding sites were also watched constantly over the summer by taking larval dippings and identifying the samples taken. All of this allowed me to plan treatment schedules during the summer.

The treatment program was broken up into 2 parts, adulticiding and larviciding. The adulticiding was divided into 2 routes this year about 3½ hours each and done from 6:30-11:30 depending on the weather and temperature. The chemical we use dissipates too quickly if it is windy and becomes useless. The reason we spray around dusk and the early part of the evening is that most of the mosquitoes are active at this time. The most important part of the treatment is the larviciding and 90% of this took place on the salt marshes. Daily inspection of the marshes and any place with pools of standing water determine our treatment program. This is extremely important. If we can attack the problem at the

source we can achieve a higher kill rate and visible results, whereas the aduaticiding (with the truck at night) is a very temporary control that only covers a limited area along the town roads.

I will not be coming back next year as supervisor but wish to extend my thanks to everyone who helped me while I worked for mosquito control (especially the Fire Department crew who helped me out numerous times). If you have any questions or complaints please feel free to call the town office at 964-8087 or any of the commission members.

SOLID WASTE DISPOSAL IN NORTH HAMPTON

Prior to 1972, the Town operated a land-fill solid waste disposal area on South Road. For this North Hampton incurred an expense to cover manpower and machine work at the site. For the ten year period which will end on July 1, 1982 we have been able to share, at no cost to us, the landfill, operated by the City of Portsmouth, which is partly in our town. This agreement will soon end and the Special Town Meeting of June 22, 1981 authorized the Selectmen to enter into an agreement to participate in the waste to steam project of the City of Portsmouth at Pease Air Force Base. This has been accomplished and you will find a budget item to cover our share of the cost of the incinerator in the 1982 warrant. You will also be asked to vote on the required licensing ordinance for those who will be transporting waste to the facility.

As more than half of the Town now has waste picked up by private vendors, the Selectmen have come to the conclusion that the most desirable way to move waste to Pease AFB is by continued use of private vendors. These vendors, or any other person, must comply with a simply licensing procedure which basically requires an enclosed truck and insurance coverage. We feel this will cause only a minimal inconvenience during the transitional period.

The Selectmen wish to thank the Hon. William Cahill, Mr. Tom Allen and Mr. Steve Miller for their aid in the planning of this our new solid waste disposal system.

REPORT OF THE AUDITORS

To the Members
of the School Board
North Hampton School District
North Hampton, New Hampshire

We have examined the combined financial statements and the individual fund and account group financial statements of the North Hampton School District as of and for the fiscal year ended June 30, 1981, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund and account group financial statements referred to above present fairly the financial position of the North Hampton School District at June 30, 1981, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional

analysis and is not a required part of the combined financial statements of the North Hampton School District. The information has been subjected to the auditing procedures applied in the examination of the combined, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

SUPERINTENDENT'S REPORT

To the Citizens of North Hampton:

I submit herewith my annual report for your School District.

I am pleased with the performance of Dr. Krysiak and the resultant surge of exuberance and change going through the North Hampton Elementary School under her leadership.

I have asked Assistant Superintendent Dr. Anderson for a report regarding the curriculum in your school. The bulk of my message is the result of parts of his report.

"A teacher affects eternity. He never knows where his influence stops," so said Henry Adams. The curriculum is the road on which the student and the teacher travel. Where that road leads is very important not only for the student but for our society. Equally important is how we travel that road. If we only walk instead of fly towards our goals, we obviously will take longer to achieve our goals; therefore, the Where, the How and the What become important.

This is what we have been trying to do in education as S.A.U. 21 and North Hampton, not today, not yesterday, but continuously—IMPROVE the WHERE, the HOW, the WHAT.

At North Hampton, curriculum development is ongoing in three areas: mathematics, language arts, and health education. In the 1980-81 school year, committees were formed to study these three areas. The focus in deliberations on mathematics is on increasing activities in problem-solving and on computer literacy. Evolving from discussion was a decision that teachers first became aware of the potential of the computer as a learning and teaching tool in the mathematics classroom. As a result, several teachers have availed themselves of initial computer courses. In a year, with the availability of three micro-computers at North Hampton, there

should be a computer literacy component in the mathematics program for the children. In curriculum meetings, the recommendations of the National Association for Teachers of Mathematics are the framework on which to build new curriculum.

The language arts committee's major concern is in the area of instruction in writing. Students in grades 3-8 were assessed in writing at the end of the 1980-81 school year. From this assessment, teachers were able to see student weaknesses in writing, especially in fluency. The committee's concerns included the teacher's knowledge of the teaching of writing and the lack of any formal curriculum in writing. This school year at its meeting, the language arts committee has also included the teaching of reading, grades 5-8, as an area of concern. Presently, discussions are revolving around the emphasis placed on literature in the middle school reading program. Thus, the committee is engaged in experimental work in the teaching of writing using both a previously developed formal curriculum and the methods espoused by Donald Graves and other researchers in writing and in reviewing materials and concepts in the teaching of literature. Guidelines for curriculum development in language arts are taken from the National Council of Teachers of English.

Health education committee work has concerned itself with broadening the present curriculum which stops at the end of grade four. Plans are being made to develop health education curriculum for grades 5-8. Parent seminars and staff development activities on adolescent sexuality will provide material and concept for inclusion in the curriculum. The Seabrook Comprehensive Health Curriculum and the New Hampshire Department of Education Health Curriculum are guides being used to develop curriculum.

Work in these three subject areas is ongoing and will continue throughout this school year and next. Data is being gathered and in-service programs instituted in order to reach reasonable conclusions which will formulate the foundation for new curriculum.

In addition we have a workshop for teachers in "Assertive Discipline" to improve the HOW. This came about because principals and teachers expressed a need. The results of the workshop have been beyond expectations. To quote one teacher, "I didn't realize how much more we could accomplish in my class with better discipline AND the children enjoy it so much more."

A teacher is more effective if the teacher has been down the road himself. We have just begun another workshop in "Writing". We all agreed that children need to learn to write better, to express themselves more clearly and more forcefully. The Exeter Writing Project, which is part of a national program, was aimed at just this: teachers learn to write better in order to teach their students to write better. We are learning HOW to get WHERE we want to get with WHAT: better writing.

Previous to this year we have had workshops on "Teacher Effectiveness Training" and "Mastery Teaching", which proved to be influential in making the teacher more successful in the classroom through improving student learning.

How do we know that we are improving? In the last eight years our Iowa Test of Basic Skills scores have risen as high as 35 percentage points. These tests examine achievement in basic skills: vocabulary, reading, spelling, capitalization, punctuation, language usage, map skills, graphs, references, math concepts and problems.

The introduction of the microcomputers three years ago at the high school ushered in a new era of education as previously mentioned. We are trying hard to catch up.

Every workshop for teachers has been over-subscribed. We can't find enough instructors, computers, or room to do all we are requested. You ask, "What do microcomputers do?" They make it possible for the first time, at reasonable cost, to individualize learning at the Where, How, What levels. Given the equipment - hardware and software - the teacher can meet the learning needs of every student. That means 25 students at 25 different levels of learning in 25 different ways all at the same time with one teacher.

Individuals are engaging in curriculum work constantly to the end that our service to students improves daily. We know we are affecting eternity.

My thanks to all of you who have assisted in making a good school better.

Respectfully submitted,

Richard C. Hamilton, Ed.D.
